

Premium Skinless/Boneless Atlantic Salmon Portions

BOS'N Premium Skinless/Boneless Atlantic Salmon Portions are the best on the market! Superior Quality Chilean Atlantic Salmon Fillets are skinned, boned and portioned. They are frozen within hours of harvesting to preserve their fresh-like texture. **BOS'N Premium Skinless/Boneless Atlantic Salmon Portions** are Individually Vacuum Packed to guard against freezer burn. Portions can be thawed under refrigeration or quick thawed in minutes by immersion in cool water.

BOS'N Premium Skinless/Boneless Atlantic Salmon Portions are deep skinned with minimal fat line. Precision grading ensures (+/- 1/2 ounce) consistent sizing. This high quality product costs less to use on a per serving basis than fresh salmon fillets because of its 100% yield with no spoilage. **BOS'N Premium Skinless/Boneless Atlantic Salmon Portions** are perfect as a regular item, as a blackboard special or as an emergency backup for fresh fish. One thing is for sure - once you try **BOS'N Premium Skinless/Boneless Atlantic Salmon Portions**, you'll never go back!
