

# *IQF Bay Scallops*

**BOSTON PRIDE IQF Bay Scallops** are processed from farm raised Chinese Bay Scallops and are available year round. These scallops are grown from the same species as Nantucket Bay Scallops. They are processed with sodium tripolyphosphate and must be called a 25% Water Added Scallop product. **BOSTON PRIDE IQF Bay Scallops** are not blended from multiple origins. They are 100% product of China, and are very uniform and consistent in quality.

**BOSTON PRIDE IQF Bay Scallops** are believed to be more flavorful than Sea Scallops. They are delicious and adaptable to many cooking preparations. Whether served as an appetizer or as a main course, they are easy to prepare. They can be used in a variety of dishes due to their texture and sweet flavor and are best broiled, steamed, sautéed, fried or baked. **BOSTON PRIDE IQF Bay Scallops** are a wonderful item to feature on a restaurant menu or in a retail case.

**BOSTON PRIDE IQF Bay Scallops** come in a variety of sizes and are available in 30/40ct, 40/60ct, 60/80ct, and 80/100ct per pound. Smaller sized bay scallops are primarily sold to processors. Larger sized bay scallops are sold to retail and foodservice. **IQF Bay Scallops** are packed in 5 pound bags; 30 pounds per master case.
