

# Titi Shrimp

**Boston Pride IQF Titi Shrimp** are an item of true value. They are 100% Net Weight, and have consistent counts with very few broken pieces. They can be used in a number of different applications including fried appetizers, seafood salads, and rice dishes. With a mild flavor and excellent count they are always a great favorite.

**Boston Pride IQF Titi Shrimp** come in two distinct counts and pack sizes. The 70-90 count are packed in 5lb printed bags with UPC codes. Master Case is 4/5lb. The 100-200 count are packed in 1lb printed bags with UPC codes. Master Case is 12/1lb. Both sizes are perfect for all retail and foodservice applications. All sizes are finished counts and are 100% true net weight.
