# Cajun Spiced Whole Cooked Crawfish

**Foods From The Sea Cajun Spiced Whole Cooked Crawfish** is not what you would expect. Produced from the same specie as the domestic Crawfish, ours are carefully selected to be larger than the average Crawfish and chock full of meat. They are under 15 count per pound, 40% larger than the standard 16/24 count.

Most frozen Crawfish are packed into sacks or bags. As a result you will often find that 2/3rd or more are missing a claw, legs, or worse! **Foods From The Sea Cajun Spiced Whole Cooked Crawfish** are hand layered into a rigid plastic tray, ensuring that each piece is intact. They are then spiced just right, cooked, and frozen.

**Foods From The Sea Cajun Spiced Whole Cooked Crawfish** is graded to an under 15 count per pound. They are packed in a sealed 3# tray encased in an attractive retail ready box. Each case contains 4 units, for a case weight of 12 pounds

**Foods From The Sea Cajun Spiced Whole Cooked Crawfish** is great for an old-fashioned crawfish boil or many other preparations from Paella to Bouillabaisse! It's convenient to use- just heat and serve.
