

from the coast of Canada to your doorstep

Fresh Blue Mussels

Prince Edward Fresh Mussels are an exceptional seafood item. They are grown on ropes in the clean, clear waters of Prince Edward Island located on the East Coast of Canada.

Prince Edward Fresh Mussels are conveniently packed in 2lb bags and 10 lb bags, 17-22 ct per lb. This product appeals both to Food Service and Retail markets. This farm raised product enjoys consistent pricing and year round availability.

Prince Edward Fresh Mussels can be steamed with a few herbs and perhaps a little wine and served in their own juice. They may also form the base for a range of bisques, soups, chowders, paellas, pastas and salads. This superior quality product represents the best mussel value in today's marketplace.
